Go Green
Choose this option to receive only a Safety Awards certificate, not the full plaque.

Sign, enclose payment and send the application to GEAPS to enroll this facility in the Safety Awards Program. To receive an award, the facility must complete the calendar year without a work-related lost-time injury or illness. To verify lost-time accident records, applicants must send GEAPS a copy of their completed 2022 OSHA 300A form or complete the online form for the facility, along with the total number of personnel hours worked at the facility during the calendar year. For facilities outside the U.S., a signed letter on company letterhead stating that there were no lost-time injuries or illnesses and reporting the total personnel-hours worked will be accepted.
