

GEAPS Kansas City Chapter Maintenance Day

JANUARY 13
2026

10 AM - 3:30 PM

COST: COMPLIMENTARY

About Event

Join fellow GEAPS members for a day of learning designed for maintenance teams and those who keep grain facilities running smoothly. This high-value training features industry specialists sharing proven approaches to maintenance, troubleshooting and system efficiency. With plenty of time to swap ideas with peers, this is a must-attend event.

Location

Scheels, Overland Park
6503 W 135th Street
Overland Park, KS 66223

Maintenance Topics:

- **Drive Maintenance**
 - James Stapleton – Keen Project Solutions
