

The Canadian Prairies Chapter of the Grain Elevator and Processing Society would like to invite you to participate in the annual golf tournament taking place Tuesday, June 4th, 2019 at the Kingswood Golf and Country Club. This year we are proud to support Agriculture in the Classroom's fundraising efforts. This event attracted 124 golfers in 2018 and continues to present an excellent networking and marketing opportunity for everybody involved in the grain industry. In addition to golfing, various sponsorship opportunities are available, from prize sponsorships to hole sponsorships be sure take advantage of this unique GEAPS event. Hole sponsors are encouraged to set up an exhibit at their hole with representation so as to promote their company and get the most value out of their sponsorship.

Established in 1987, Kingswood is an 18 hole par 71 course with three levels of tee difficulty and is one of Manitoba's premiere golf destinations. Located just minutes from Winnipeg, located in the community of La Salle, the Kingswood Golf & Country Club is an excellent course for every skill level of golfer.

Limited space is available for both golfers and sponsorships so be sure to submit your registration/sponsorship packages and payment early to ensure you don't miss out on this opportunity.

See you on the 4th!
